MEMORANDUM FOR NICHOLAS PLATT
Executive Secretary
Department of State

Executive Secretary
Central Intelligence Agency

25X1

JOHN N. RICHARDSON
Assistant to the Attorney General
and Chief of Staff
Department of Justice

SUBJECT: Proposed Change in U.S. Visa Policy (C)

This is in response to State's memorandum of February 18, proposing that the Department issue a statement in support of the American Bar Association's February 10, 1986 Resolution concerning United States Visa Policy. (C)

We understand that while both the Department of Justice and CIA support in principle the essence of the ABA Resolution, they have some concern about the precise wording of the Resolution and the State Department's proposed statement. We therefore suggest that State convene representatives of the concerned agencies to work out language that would be acceptable to all, and resubmit the statement. (C)
